

WHEN BEING THE VOTE COUNTER @MACINTALKERS

YOUR ROLE AS VOTE COUNTER

Your role is to collect and count the votes for best table topics, best evaluation, and best speech. The basket will be passed around during the meeting. When it reaches you, empty it and start counting votes. You will also collect comment sheets and give them to the corresponding member at the end of the meeting.

After the evaluation portion of the meeting, if you don't have all the votes, you can go around the room and collect them. Let the TM know when you're done counting.
