

## **WHEN BEING THE WIZARD OF AHS @MACINTALKERS**

### YOUR ROLE AS WIZARD OF AHS

Your role is to count the number of pauses, ahs, hums, so or anything that is used to fill in when we don't know what to say. Use your judgment to count appropriate pauses. You will fine members only 5c/ah word up to 25c.

### GIVING YOUR REPORT

- Tell how many ahs words have been used for everybody concerned. If it is over 5, just say "over 5".
- Do not give details about what kind of pauses have been used, except if it is relevant (for example, somebody that is perfect and used a "you know", can be identified, but don't go over the details as "1 hum, 2 ahs, 5 so...")
- Ask members you've listed to put 5c/ah word in the basket, up to 25c.
